We promise to do our best to provide you with a bountiful share each week. The quantity of produce, however, may vary from [week-to-week/month-to-month/season-to-season] due to extreme weather, insects, or other production factors despite our best efforts. By joining our CSA, you are agreeing to share the risk of crop failure with us and other members. This is why we work with other farmers, In the unlikely event of a crop failure, our procedure is as follows: If only a small portion of crops fail, we try to compensate for the failed crops by filling your share with other crops grown from farms that are ready for harvest at that time. If a large portion of crops fail, we may not be able to deliver any product in some weeks.

Volunteering is welcome, Grounds can be unstable and have trip hazards, please dress appropriately and protect yourself. We do not accept responsibility for damages or losses from injuries.

Thank you for helping to support local produce, from local farmers!
